Dear Sir:

It has been determined that you are an employer under the Unemployment Compensation Law of New Jersey by reason of the provisions of Section 19, Subsection (h), Subdivision (2). You have been allotted Employer's Registration Number 23153, for which a card of advice is enclosed. Please refer to this number in all future correspondence with this Commission.

You attained subject status on February 5, 1941. You are liable for reports and employer's contributions for all periods beginning with February 5, 1941. In addition, you are responsible for collecting and remitting your workers' contributions for all periods beginning with February 5, 1941. If you do not deduct them from your workers' wages, they are treated as employer's contributions and you are liable for their payment.

In accordance with our letter of August 4, 1941, to Mrs. Effa Manley, no delinquency or interest penalties will be assessed against you as a result of the late filing of your first and second calendar quarter reports and contributions.

We enclose the self-addressed, stamped envelope enclosed with your letter of July 28, 1941 to Harold G. Hoffman, Executive Director. We also enclose a statement of Important Reporting Requirements, and a list of other materials being sent to you under separate cover. Please advise us if you do not receive these other materials within seven days.
